Item 2

40th NSC Executive Committee Meeting,
Trollhättan 27th October 2005.

Interreg III B Programme for the North Sea

Enclosed there are one report from the Interreg Secretariat of the progress of the programme and one proposal for making a North Sea TV series. Programme Manager Lorraine George and a representative from the TV production company will join the meeting on this item.

One question for the proposed TV Series is whether enough NSC members are willing to contribute financially to realise this TV Series.

RECOMMENDATIONS:

1. For discussion.
