

REPORT FROM CPMR

Pascal Gruselle from the CPMR will give an oral report at the meeting.
An updated written report from the CPMR will be handed out at the meeting.

On October 1st the NSC Secretariat received this mail where the CPMR Secretariat asks us for advice regarding the limits of the Transnational Areas:

Following the debate on territorial cooperation in Stavanger, and in order to prepare the Taormina seminar 21/22 October, you will find enclosed the "martyre map" which was presented in Umea, then in Stavanger.

Even if this is only one of the many aspects of territorial cooperation to be debated there, it is obviously a very sensitive and potentially controversial issue.

As we said, the General Secretariat doesn't want to "impose" a map, and it was clear in Stavanger that an in depth discussion is necessary before publishing any "official" CPMR map.

Could you please, by 15th of October send me your comments on the attached map?

The CPMR Secretariat has following questions;

- New transnational areas to be introduced*
- Modification of limits of certain areas*
- Widening of overlapping between 2 areas*

RECOMMENDATIONS:

1. For information.
