NSC Work Plans

The Thematic Groups has revised their Work Plans after the last meeting of the Executive Committee. The new Work Plans are enclosed.

The Executive Committee adopted the Work Plans 2006 -07 at their meeting in June and the Groups present the revised Work Plans as information to the Executive Committee. At this phase it is important to concentrate the issues raised the Work Plans and to avoid duplicating work in the groups.

The Executive Committee is asked to give their comments to the Work Plans as guidance for the future work in the groups.
