

Education & Research Group Work Plan 2006

NSC Education & Research Group Activity	Action	Responsibility	Timescale	Resources	Output	Updated actions following ERG meeting March 2006
Review activities of the ERG and identify future significant areas of importance for NSC member regions in the context of Education and Research	Oversee the development and implementation of the workplan of the ERG Identify the political issues for action in the context of the agenda for 2010. Strengthen the role for vice-chairs of the ERG	Politicians group and ERG co-ordinator	Next meeting 13 March 2006 in Fife. Ongoing	ERG Chair and vice-chairs' time, ERG Co-ordinator's time, supporting officers' time, travel expenses	Actions defined for political interests Structure, objectives and strategy for ERG Schedule and content of meetings for ERG agreed	This activity will continue because it is central to the ongoing work of the ERG. It takes place through ERG politicians meetings and ERG meetings.
Plan the ERG Work Programme	Ongoing review and development of actions	Small Working Group (SWG) – convened as required	Workplan revised 28 October 2005		Practical actions for the ERG	The Small Working Group will be discontinued.
	Review and amend as necessary the provisional Work Programme of the ERG	Politicians group and ERG co-ordinator	Next meeting 13 March 2006	Time for members of Politicians group and ERG co-ordinator	Work Programme as approved by NSC Executive Cttee on 2 March 2006 to be put forward at the ERG meeting on 14 March 2006	This item was completed on 13 March 2006. The workplan has been revised as shown in this column.
	Review actions needed for implementation of the Work Programme of the ERG	Full ERG group meeting	14 March 2006	Time, travel and accommodation, members of ERG	Practical actions agreed arising from the ERG Work Programme	Workplan actions were reviewed and revised. Responsibility for actions shared among ERG members.
Respond to the Lisbon Strategy, Agenda for 2010 and related matters	Continue to provide updates for ERG. Continue to develop responses including new ERG actions and actions across thematic groups				Ongoing work to: Update ERG group members' knowledge Provide information about European funding programmes Update ERG work programme	The ERG Co-ordinator in the past has monitored the progress of the Lisbon Agenda, and the European agenda. This work is important and the ERG politicians now refer this item back to the NSC Executive Committee for a response.

Education & Research Group Work Plan 2006 – continued

<p>Build on ERG group strengths</p>	<p>New profile circulated to collate expertise and interests of group members Identify regions with no ERG representation and target for publicity. Produce summary of ERG work for sending out. Subgroups set up for actions in identified areas.</p>				<p>Database of members Profiles. List of main areas of common expertise and interest Areas of activity identified.</p>	<p>Time-consuming and difficult to make progress with this item due to inaccuracies and omissions in the NSC database. Production of an accurate database is passed to the NSC Secretariat for action. (The ERG will not continue the production of its own database.)</p>
<p>Promote and encourage professional and social inclusion of young people</p>	<p>The following actions build on the work done at the “Lisbon seminar”: Share best practice and experience Raise awareness of the importance of mobility in Europe (among professionals, and therefore aim to improve mobility of young people) Identify common challenges</p>	<p>Lead taken by Vice Chair and supporting officer (Nord Pas de Calais)</p>	<p>Ongoing through 2006</p>	<p>To be determined Sources of external funding include: Leonardo da Vinci, Grundtvig, etc Opportunities through Interreg to be investigated</p>	<p>Comparison among the regions of approaches to improving inclusion and employability of young people. Exchange of professionals Dissemination of findings</p>	<p>This work will continue, led by Region Nord Pas de Calais. ERG and EDG co-ordinators to discuss possibilities for common actions across the ERG and EDG.</p>
<p>Promote Lifelong Learning</p>	<p>Investigate opportunities for mobility of workers and students in the “European Year of workers’ mobility 2006” Investigate the effect of demographic change on inclusion, employability and opportunity for learning, including: Improving work-life balance and lifestyle Developing basic skills, “soft” skills provision Promoting learning in the community, informal and non-traditional learning</p>	<p>Chairman’s officer ERG co-ordinator and other group members advised by the Educational Centres Association</p>	<p>Ongoing through 2006 Ongoing through 2006</p>	<p>To be determined Sources of external funding include: Leonardo da Vinci, Grundtvig, etc Opportunities through Interreg to be investigated</p>	<p>Practical actions to develop work-based training opportunities (job rotation, work placement, work shadowing) Better information about the effect of demographic change Recommendations for better access for all to opportunities for learning. Guidelines for induction Guidelines for work placements</p>	<p>This work will continue, led by Fife Council, depending on the outcome of a bid for European funding already submitted by Fife Council. Work on demographic change will be included in the work done by Fife Council, the Educational Centres Association also involved. There is potential for a funding bid for actions on demographic change.</p>
